Sun Life Bonspiel

Cont'd from P. 10

Stevenson of Laval and Brian DeRooy of London and John Margeson of Lansdowne competes with Rich Groulx of Ottawa-Rideau.

For the first time in the history of the spiel a team from the United States will have an entry. Curling out of the Boston Curling Club is Charles Reeves, skip, Doug Carlson, vice; Henry Shean, second and Barry Blanchard, lead. They have curled together for 12 years and have won all the major bonspiels in the New

England area and are coming to Canada to find tougher competition. Apparently curling in the Boston area is not as competitive as here in Canada, there is more of a social nature. The team has been in six U.S. mens National Curling Championships from 71-76. They won the championship in 1973, were runners up in 1972 and finished third in 74, 75, and 76. They have been out of curling for the past two years but have gotten together again and will compete in the U.S. Championships this year.

Santa Claus Parade is a big success; winners are named

The Whitby Jaycees' Santa Claus Parade was bigger and better this year, and larger crowds turned out in sunny weather to see it on Saturday.

Winners of prizes are as follows: Woodview Majorettes were the best majorette group, Whitby Brass Band was the best band, Whitby Rotary Club had the best service club

entry, Whitby Recreation Department had the best private entry, and Bob's Towing had the best over-all entry. This was a large float depicting an "Old Fashioned Christmas."

Trophies were presented at the end of the parade at Centennial Park, and an official presentation will take place at a future Jaycee meeting.
